Hydrazzo Pacifico Acqua

From the pioneers of the original polished marble pool finish, we're proud to introduce **Hydrazzo® Pacifico**, the next evolution in premium polished swimming pool finishes.

Hydrazzo® Pacifico is our most dynamic product line to date. By utilizing the highest quality raw materials available, Pacifico becomes the most luxurious and smoothest pool finish in today's marketplace.

Pacifico uses aggregates that are larger than standard **Hydrazzo** and smaller than Classico, making this our easiest polished marble finish to apply and polish.

With eight unique colors, **Hydrazzo® Pacifico** delivers elegance that is unmatched in the industry.

BENEFITS:

- Proven Durability
- Proven Natural Ingredients
- Smoothest Exposed Aggregate Surface Available
- Resists Permanent Algae & Scale Adhesion

SAMPLES:

Actual CL Industries' finish and water color may differ from digitally photographed and reproduced samples. CL Industries strongly recommends viewing actual swimming pools in person before deciding on a color.
